About Kim

My name is Kim and I am a stay at home mom to four. My children are very active in various sports and keep me busy. Their ages and interests allow me to cover a wide variety of topics on my blog. I am enthusiastic, supportive and loyal. My blog, Tales of a Ranting Ginger was started so I had a way to talk to other moms about things we all seemed to be going through. Terrible two's right up to gradation and college. You can usually find me tweeting @Gingermommy but when not there, I am reviewing various products and promoting fabulous companies. My readers have found my blog to be the go to place for contest listings and redhead stories. Bloggers also visit my blog for resources and support. I would be happy to work with you on a review, giveaway or other kind of promotion you may be requiring.
